

SCUBA Lessons

Certification is through ACUC. You need no diving experience to take our course. We are a not for profit organization and our teaching philosophy centers around teaching people to dive safely. Our instructional staff all teach as volunteers.

Because of the number of people involved in instruction, we often work one on one with students. Our training is more comprehensive than most other certifying agencies. We include snorkel skills, self rescue and diver rescue skills, and include some training exercises that are designed to give you confidence in open water.

Next Course: 28 September 2011
25 January 2012

Classroom: St Michael's Elementary
Pool: Carling Heights Pool

Time: 12 Wednesday Nights, class room 7:00pm to 8:30pm. Pool from 9:00pm to 10:30pm.
